

HeART Impression Show:

Music stimulates imagination; delicately, through elusive sound, it opens up the mind and the soul of the arts. ARTur intuitively adjusts the quality of sound of the piano and plays the music that comes from his heart as he directs the HeART Impression live performance.

SHOW DESCRIPTION:

HeART Impression is a no-barriers, no-borders event where both average people and musical aficionados can drink from an ever-fresh spring of inspiration. Featuring music that touches the heart, awakens the mind, and nourishes the soul, the sound of it fills the air with its incredible fragrance and beauty. Each chord resonates within a different part of your emotional spectrum, giving you something that is not easily forgotten. It moves you deeply and shows you the real meaning of the word "happiness."

Welcome into the space where music is played from the heart and intuition plays a big role in selecting the proper instrument which, in fact, is an extension of ARTur's mind and imagination. The piano is a world in and of itself; a world of sounds, a world of energy. In this world, the heart and the mind unite to create a captivating and one-of-a-kind performance never to be repeated again. Each concert is unique. Each moment the performance starts anew and fresh as ever because it is born out of ARTur's intuitive wisdom. Only such captivating music can open up the doors of "Musical Renaissance."

Welcome into the "ERA OF THE HeART."
